COBBLE HILL

CHARLESTON SC

Web Developer Internship

We are seeking a motivated web development intern to join our team for a part time Fall internship. Come grow in an exciting and collaborative work environment.

Requirements:

- *Passionate about web and mobile development*
- *Strong portfolio showcasing web development using HTML5, CSS3, JavaScript libraries & CMS*
- *Hard working and the ability to collaborate in a team environment, but also work independently on exciting digital projects*
- *Passion for elegant and clean code*
- *Working knowledge of Wordpress*
- *Knowledge of mobile development and systems management a plus*

We are a digital creative agency based in Downtown Charleston, SC.
We offer a fun and dynamic work environment, a client list made up of great businesses of all shapes and sizes, the opportunity to grow with the company and the best job you'll ever have.

Please email hello@cobblehilldigital.com with portfolio and resume if interested.
